## PLAN MINING IN HUNTERSTOWN SECTION SOON

A scene familiar more than a half century ago will be reenacted in the Hunterstown area within about two weeks as miners once again open the ancient mine in that community in search of copper and related minerals.

B. H. Snyder, Carlisle, president of the Ridge Creek Gas and Oil Company, of that city, said today that three men engaged in coal stripping in the Lykens area have joined partnership to resume the digging for mineral wealth in the community four miles northeast of here. He said they expect to begin operations in about two weeks.

A half century or more ago, miners labored in dark tunnels to dig for copper. Today's miners will use drag-lines to rip away the earth.

**Explored Old Tunnel**  
Test drilling in an area from Stone Jug to Hunterstown disclosed, Snyder said, that there were sufficient quantities of minerals present to warrant a resumption of mining under modern methods. Several mines, started by pick and shovel labor 50 or more years ago, failed because a profitable quantity of minerals could not be brought out by those methods.

Intrigued by old-timers' descriptions of the Hunterstown mine, Snyder recently had debris dug away that had been deposited at the mouth of the mine for many years. When he had unsealed the entrance he found a narrow dark opening in the earth. Tying a rope to his waist, Snyder wriggled into the narrow tunnel.

The Carlisle engineer crawled down into the earth for nearly 60 feet.

**Finds Underground Room**  
Then "I came into a huge room, just as the old timers described it. It seemed to be about 75 feet long and 25 feet wide and the ceiling was far above my head. All I had with me was a flashlight and a screw driver. I pried away some of the mineral in the side of the room nearest me. Then I scrambled out."

Snyder said the sample "ran 80 per cent copper. I never would have believed that copper in such large percentage could be found here. If it's all like that it's the best thing found in a long time. However, we'll find out just how good it is when the Lykens men start digging into the old mine area."

How soon the mine will be in operation depends on the weather. The state highway department will give the huge machinery authority to travel highways here from Dalmatia only when the highways are dry and safe. Snyder said he hoped that would be within the next two weeks.

## MARKET PRICES ARE UNCHANGED

The Farmers Market here this morning was characterized by a settled winter appearance. The usual number of "regulars"—both farmers and customers—were there, and prices were "same as last week."

Eggs continue, at 45 cents a dozen for large, one of the low points for eggs during the past 12 months. Apples continued in good supply with a top price of \$2.50 a bushel.

The one farmer displaying quantities of pork retained the price established early this fall of scrap, 25 to 30 cents a pound; sausage, 35 cents a pound; bacon, 50 cents a pound; ham, \$1 a pound; ribs, 45 cents a pound; backhoney, 50 cents a pound; shoulder, 60 to 65 cents a pound; hogg, 40 cents a pound; and pig maws, 60 cents a piece. Lard was 22 cents a pound.

Several farmers promised pork next Saturday.

Chicken continued at prices varying from 45 cents up to 75 cents a pound. The 75 cents a pound price was for cut sections, and the most popular pieces. Capons were 60 cents a pound.

Onions were 15 cents a box, \$2 a bushel; apple split, 30 cents a quart box; potatoes, 25 cents a quarter peck, 45 cents a half peck; apple butter, 45 cents a jar; potato salad, 25 cents a pint; cottage cheese, 20 cents a pint; jellies, 20 to 25 cents a jar; mixed pickle, 25 cents a jar; cookies, 25 cents a dozen; cup cheese, 30 cents a pint; angel food cake, \$1.50 each.

**CHARGED WITH MURDER**  
HOUSTON, Tex. (AP)—Two men were arrested and charged with murder early today in the slaying of Mrs. Harry E. Weaver, wealthy San Angelo, Tex., ranch owner.

One of the men is Harry Washburn, a former son-in-law. The woman, fatally injured January 19 when a bomb exploded as she stepped on the starter of her husband's automobile.

## COLD WEATHER GRIPS STATE

By THE ASSOCIATED PRESS  
Temperatures across Pennsylvania dropped far below the freezing point early today, but predicted heavy snow failed to materialize.

The Weather Bureau reported that only in the Erie area was snow reported by sunup. But temperatures fell to one degree above zero at Brookville, Jefferson County, and down to three degrees above zero at Pittsburgh and Phillipsburg, Centre County.

The Weather Bureau said that yesterday was one of the coldest days of the year across the state. At Harrisburg the temperature for the day was 17 degrees colder than normal for Jan. 28, although about five degrees above the record low for the date.

Meanwhile, the bureau reported there is little prospect for any immediate warming and only weak threats of light snow.

## PHOTOGRAPHIC SHOW AT BANK OPENS MAR. 18

March 7 has been set as the deadline for all entries in the Tenth Annual Photographic Exhibit, under the sponsorship of the Gettysburg Photographic Society and the Gettysburg National Bank. All photographs must be turned in at the bank not later than 2:30 p.m. of that day.

The pictures will be exhibited March 18 to 27 at the bank.

Prizes of \$15, \$10 and \$5 will be awarded in each of three categories: black and white prints, color prints, and color slides. Members of the Photographic Society will do the judging. Paul G. Pensinger and Dr. Charles A. Sloan are handling the contest for the society, while George T. Raffensperger is in charge of arrangements at the bank.

The exhibit and contest are open to anyone who lives, works, or attends school in Adams County, or Emmitsburg. Members of the Gettysburg Photographic Society will exhibit their pictures but they will not compete in the contest.

One contributor may submit any number of prints or transparencies (slides), but he must put his name and address on the back of each. All pictures will be returned after the exhibit.

Black and white entries must not be larger than 16 by 20 inches, or smaller than 8 by 10. Color prints will be accepted in any size 5 by 7 or over. Transparencies in any size (not smaller than 35 mm. or "bantams" in 2 by 2 mounts) will be accepted, the society stated.

**Birth Announcements**  
Mr. and Mrs. Ezra Jarvis, Hanover R. 3, announce the birth of a son Friday at the Warner Hospital.

A son was born today at the hospital to Mr. and Mrs. Charles Swope, Orrtanna.

Dr. and Mrs. Charles Polker, Oakland, Calif., announce the birth of a daughter, Ann Elizabeth, January 23, in Hetrick Hospital, Berkeley, Calif. This is the couple's first child. Mrs. Polker is the former Miss Audrey Heller, daughter of Mr. and Mrs. Robert Keller, Biglerville. Dr. Polker is the son of Mr. and Mrs. Herbert Polker, of Oakland.

**MOOSE WOMEN MEET SUNDAY**  
The annual midwinter conference for five chapters of the Women of the Moose will be held here Sunday afternoon, starting at 1:30 o'clock and with more than 100 women expected for the program.

Dorothy Sholl, Hanover, will serve as leader for the conference to be held on the theme: "Tops for Membership for Pennsylvania and Hazel Hummel," a member of the College of Regents of the Women of the Moose from this area.

Mrs. Faye Neary, W. Middle St., is serving as general chairman for the afternoon conference. Members of the College of Regents from the five participating chapters who have served for four years in their posts will be presented with red stoles at the program.

**5 Chapters Involved**  
The chapters taking part in the event are Gettysburg, Hanover, Chambersburg, Carlisle and McSherrytown. The program will be held in the second floor meeting room of the local Moose lodge.

## VET GUIDE, FIREMAN AND EAGLE IS 75

Benton D. Gilbert, 301 Buford Ave., today observed a double anniversary—by working as a guide as usual.

Mr. Gilbert marked his own 75th birthday today, and in addition noted the 48th anniversary of the local Fraternal Order of Eagles, of which he is one of three surviving among the group of charter members at the founding of the Eagles.

BENTON D. GILBERT

January 29, 1907. The two other surviving original Eagles are Mr. Gilbert's brother, Harry C. Gilbert, and John W. Brehm.

Also being marked is Mr. Gilbert's 54th year on the Battlefield. He began as a photographer working for W. H. Tipton, taking pictures of persons visiting the Battlefield, serving in that capacity for about 14 years. In 1914 he became a guide and in 1915, with approximately 20

## AUTO OWNERS GIVE \$2,692 TO POLIO FUND

Adams County autoists have donated \$2,692 so far toward the March of Dimes, Mrs. Joseph E. Codori, chairman of the fund raising campaign, announced today.

The amount shows donations of \$762 during the week. Last Saturday the contributions totalled \$1,932.

Mrs. Codori said the amount listed as contributed by the autoists represents the returns from cards sent to the 12,000 auto owners in the county asking them for donations to be mailed to the county polio fund drive chairman. In addition to the \$2,692 received so far from that phase of the campaign, large sums are also being realized from the sale of sponsor tickets for the annual Birthday Ball scheduled for tonight, from 9 to 1 at the Hotel Gettysburg, and from canisters placed in various business establishments, plus donations made by the school children in the various sections of the county.

**School Donations Up**  
While no reports have been released so far concerning the drive in the schools, Mrs. Codori said she understood that donation "so far exceeded last year's." A complete report is made at the end of the drive, generally several weeks after the Polio drive.

Contributions by the autoists, listed by post office, show Gettysburg far in the lead, with donations of \$1,201.28.

Donations sent through other post offices in the county were as follows: Abbottstown, \$47.10; Arendtsville, \$41; Aspers, \$65.65; Bendersville, \$44.70; Biglerville, \$284.20; Cashtown, \$18; East Berlin, \$117.22; Fairfield, \$89.70; Gardners, \$157.90; Greenstone, \$2; Guernsey, \$7.35; Hampton, \$8.90; Iron Springs, \$3; Littlestown, \$180.10; McKnightstown, \$9.50; McSherrytown, \$57.50; New Oxford, \$197; Orrtanna, \$16.80; Peach Glen, \$7; Seven Stars, \$9; Table Rock, \$12, and York Springs, \$70.20.

Mrs. Codori also announced additional sponsors for tonight's dance, in addition to lists previously published. They include: Mr. and Mrs. Albert Cardenti, Fissel-Britcher Agency, Mr. and Mrs. Henry T. Bream, Mr. and Mrs. R. M. Hoffman, Dr. and Mrs. Edgar Miller, Mr. and Mrs. Fred Pfeffer, Mr. and Mrs. R. A. Campbell, Gettysburg Exchange Club and Mr. and Mrs. John S. Rice.

## Engagements

**Lerew—Myers**  
Mr. and Mrs. George Myers of Wellsboro R. 1, have announced the engagement of their daughter, Miss Shirley Marie Myers, to Dale L. Lerew, son of Mr. and Mrs. Daniel Lerew, of Dillsburg R. 1.

The bride-elect is a senior at Northern Joint High School in Dillsburg.

Her fiancé recently was discharged from the Army after 22 months service. He served in Korea 16 months. Mr. Lerew is employed by Byer's Lumber Company, Inc., in Carlisle.

## Seltzer—Rhodes

Maj. and Mrs. N. F. Rhodes, Fort Walton Beach, Fla., announce the engagement of their daughter, Gayle, to Robert L. Seltzer, son of Mr. and Mrs. Raymond Seltzer, 90 Springs Ave. An April wedding is planned.

## SENTENCE POSTPONED

David Keller, Aspers, was released under \$1,000 bond by the Franklin County Court, Chambersburg, Friday, for sentencing in April. Keller is charged with drunken driving.

## Chinese Nationalists Pleased With Senate OK On Ike's Plan

By SPENCER MOOSA  
TAIPEH, Formosa (AP)—The Chinese Nationalists today greeted with considerable satisfaction the news of the U.S. Senate's approval of President Eisenhower's firm policy for Formosa's defense.

The President's signature on the fight-if-we-must declaration was expected to signal the beginning of an American-shielded Nationalist withdrawal from the Communist menaced Tachen Islands.

(Peiping radio, quoting a lead article from the official Peoples Daily, rejected any suggestion for a cease-fire. The broadcast asserted that if U.S. armed forces try to stop Red China from taking Formosa "we will firmly strike back with heavy blows.")

Tao Hsi-sheng, one of President Chiang Kai-shek's advisers on national policy, said the Senate's approval of the declaration would tend "firmly to safeguard the security of the free world in the Western Pacific."

**Evacuating Begins Soon**  
Evacuation of 15,000 Nationalist troops and about the same number of civilians from the exposed

## Seminary Student's Wife Has Book Published; Writing 2nd

With her first book released by the publishers only last month, Mrs. Hazel Severon McCartney, 77 E. Water St., is busy working on her next with what time she can spare from reading page proofs of her husband's first book to be published this spring.

Her first book, a blue-jacketed volume of some 30 "Poems About Jackie" by his aunt, Hazel, is written in free verse, a style of her own, that Columbia University professors implored her not to alter to more standard forms before submitting her poems to a publisher.

The new book will be prose sketches of her experiences in Japan while she and her husband taught English, literature and Bible in Lutheran schools and the government university at Kumamoto, Japan.

**Husband Studies Here**  
Her husband, the Rev. Sedoris Nelson McCartney, is the reason for their being in Gettysburg since September, 1953. The Rev. Mr. McCartney, a missionary on leave from the United Lutheran Church, is studying for a theological degree that he will receive next month.

In March they will leave Gettysburg and will spend the spring and summer in Atlantic, Iowa, where the Rev. Mr. McCartney will serve St. John's Church as supply pastor. Later they expect to return to Japan as Lutheran missionaries.

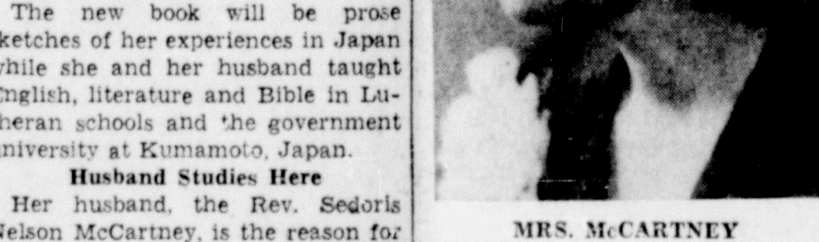

With a flair for writing that brought words of encouragement from her high school teachers in Iowa, Mrs. McCartney has written many articles for professional and Lutheran publications but "Poems About Jackie" is her first book.

**Poems Written Decade Ago**  
"Jackie" is her nephew, now a 20-year-old student at St. Olaf's College in Northfield, Minn., but the poems record his day to day triumphs, joys and adventures in an eventual seven and 11. Then "Hazel" Severon was teaching English in a Green Bay, Wisconsin, high school and spending the weekends in Marinette with Jackie and his parents. Jackie's mother, now deceased, and Hazel Severon were sisters. The book is dedicated to Jackie's mother, Mrs. John Hanson.

The poems were written then, a decade ago, and after the war she was married to Sedoris McCartney in the relocation center for Japanese on the Colorado desert where she had gone to teach. Going then to Tule Lake, Calif., they worked among the Nisei until that segregation center closed. The more than four years in Japan followed.

Before coming to Gettysburg they

## DR. C. N. TROUT, RED LION, HIT BY AUTO, DIES

A traffic accident Friday night killed Dr. Clarence N. Trout, 78, Red Lion dentist for 51 years, and oldest practicing dentist in York County, as he crossed the street near his home.

Dr. Trout was well known in Gettysburg. His wife is a sister of S. G. Bigham, Biglerville.

Dr. Trout, former president of Red Lion school board, was struck at 6:30 p.m. by a car driven by George I. Holtzinger Jr., 22, of Red Lion, Chief of Police Paul M. Royer said.

Holtzinger was driving a car owned by Lonnie Adams, Delta R. 2, according to Royer.

Holtzinger, on his way to central Red Lion to do an errand for Adams, told police he was "going about 20 miles an hour and did not see Dr. Trout before he was in front of the headlights."

**Put Car In Garage**  
Dr. Trout had just put his son William's car in a garage in an alley on N. Main St. C. William Trout was an assistant to Gov. George M. Leader during the re-

## Farmers' Class To See Nearby Farms

Members of the Gettysburg Young Farmers Association, together with members of the adult agriculture class at Gettysburg High School taught by Elmer Schriver, Tuesday will journey to Newville and Shippenburg to view outstanding farms there.

The group will leave the high school here at 11:30 o'clock Tuesday morning, and will lunch at Thompson's Diner, at Aspers, as guests of the Adams Electric Cooperative. Then they will travel to the John Stamy "electric" farm near Newville. The Stamy dairy farm was recently completely electrified with every possible electrical and mechanical gadget designed for farming placed in operation. It is described as the most advanced such farm in America. Following the visit to the Stamy farm the group will tour the Frank Clessen beef cattle farm near Shippenburg before returning home.

## CIVIC NURSING COMMITTEES ARE ANNOUNCED

Mrs. Ralph R. Gresh, president of the Gettysburg Civic Nursing Association, appointed committees at a meeting Friday afternoon at 4 o'clock at the YWCA.

They are as follows: finance, Mrs. Frank H. Kramer, chairman, Miss Elizabeth C. Evans and Dr. W. R. Sammel; promotion and publicity, Mrs. W. E. Roth, chairman, Mrs. Raymond F. Sheely, Mrs. Donald E. ## PICK GROUP TO PLAN ROTARY CONFERENCE

District Governor John L. Tivney, Harrisburg, today announced appointment of an executive committee to arrange for the 1955 annual conference of District 28, Rotary International, to be held at Gettysburg College here April 10, 11 and 12.

Representatives of 36 Rotary clubs with a combined membership of 2,100 Rotarians are scheduled to be present for the April session which will mark the 50th anniversary of Rotary International.

William T. Swain Jr., a past district governor, will serve as the general chairman for the conference. The executive committee will include Governor Tivney, Swain, Luther Snyder, Littlestown, secretary, and Ronald Rowland, Hanover, treasurer.

**3 Host Clubs**  
Host clubs for the event will be the Gettysburg, Littlestown and Hanover Rotary club with the host presidents including Roy H. Hammond, Gettysburg; Dr. Donald B. Coover, Littlestown, and S. Edward Murphy, Hanover.

Dr. Walter C. Langsam, president of Gettysburg College and a member of the Gettysburg Rotary club, has been named as chairman of the hospitality committee, it was announced.

The conference will mark the 35th anniversary of the Rotary Club of Gettysburg. Governor Tivney expressed his appreciation for the "very generous invitation extended by Gettysburg College to provide facilities for the conference sessions." Meals will be served the Rotarians attending the conference at the college since the students will be on their spring vacation at the time.

General Chairman Swain has issued invitations to the officers of the Executive Committee and committee chairmen of the 1955 District Conference to attend a meeting at the YWCA here February 7, at 7:30 o'clock immediately following the regular meeting of the Gettysburg club, when duties of the various committees will be outlined.

## COUNTY COUPLE MARRIES TODAY

Miss Betty Helen Sheaffer, daughter of Mr. and Mrs. Amos W. Sheaffer, Biglerville R. 1, this morning became the bride of Maurice E. Pitzer Jr., son of Mr. and Mrs. M. E. Pitzer Sr., Aspers R. 1.

The double-ring ceremony was performed at 10 o'clock in St. James Lutheran Church, Wenksville, with the Rev. Dr. O. D. Coble officiating and with Mr. and Mrs. Donald Wenk, Aspers R. 1, as the witnesses.

For the ceremony the bride wore a beige suit with navy blue accessories and a corsage of white carnations.

Following a wedding trip to Washington, D. C., the couple will reside at Biglerville R. 1.

A graduate of Biglerville High School with the class of 1954, the bride is a typist in the office of the Adams County register and recorder at the Court House here. The bridegroom, also a graduate of Biglerville High School with the class of 1954, is employed at the Rice, Trex and Rice plant at Biglerville.

## SENTENCE IS SUSPENDED ON DRIVER IN FATAL CRASH IN JUNE

Bernard L. Clouser, 55 N. Queen St., Littlestown, driver of an Eddie's Cleaner truck who was found guilty by a jury this week of involuntary manslaughter, in connection with a fatal accident last June near Littlestown, was given a suspended sentence by the Adams County Court this morning and ordered to pay \$300 for the use of the county and the costs.

Judge W. C. Sheely told Clouser that the jury's verdict was correct. "You were clearly guilty of involuntary manslaughter but because of your straight-forward attitude throughout, following the accident and in court, the jury was right in recommending leniency."

Mrs. Jeannette Stine Bupp, Pen Mar, mother of six children, was sentenced to from 11 to 23 months in the Allegheny County workhouse by the court.

Mrs. Bupp was charged with burglary, larceny and contributing to the delinquency of minors.

Attorney Eugene R. Hartman read letters from three physicians stating that, in their opinion, Mrs. Bupp was a good mother but that her husband, Richard Bupp, had been hospitalized for some time with a disease of the central nervous system. He said that it was during this period, while the family was without funds, that she took part in a number of burglaries and larcenies in Adams County and in the Hagerstown area and in Frederick County.

**Case Is "Serious"**  
State Policeman David K. James said she had taken a number of articles from King's Store, Orrtanna, and from the Frank McClellan roadside stand near there. He also said that what she had stolen in the places she burglarized, some in company with a son and a boy who was a friend of her daughter's, "did not make sense." He said "there were things that they would have never used," and added that nearly all of the articles, with the exception of some perishables, were found at Mrs. Bupp's home.

In imposing sentence, the court said, "This case is serious in that she involved with her two good, clean-cut boys. She was not carrying out her function as a mother." Her six children range from two to 16 years.

**Sims Is Paroled**  
Fred Sims Jr., 19, Linwood, Md., was sentenced to six months in the county jail beginning December 27 and ordered to pay the costs on charges of larceny of a motor vehicle and operating without the owner's consent. He was, however, since he had been in jail a month, placed on parole for a year under the usual conditions, plus the condition that he reimburse his mother for the money which she had paid Fred Gormley, York St., whose car

## CHOIR TO SING 21 CONCERTS IN FOUR STATES

The Gettysburg College Choir, under the direction of Parker B. Wagnild, will sing 21 concerts during the coming season. Included in the program is the annual tour, March 25 to April 4, with concerts in 12 cities in New York, Connecticut, New Jersey, and Pennsylvania.

The 60-voice choir, now in its 19th year, has gained recognition throughout the East for its outstanding performances. It will present only the music of the past as represented by Bach, Praetorius, and others, but also the music of contemporary composers, such as Vaughn Williams and Gretchaninoff.

In 1952 the choir received the Outstanding Merit Award at the Cultural Olympics at the Academy of Music in Philadelphia. Besides its personal appearances, the choir has made broadcasts and recordings.

**Sang In Europe**  
Director Wagnild is considered by critics to be one of the foremost directors of sacred music in the East. He attended St. Olaf College and there sang under the direction of Dr. P. Melius Christensen. He was with the group when it toured Europe in 1930. He secured his Master of Sacred Music degree from Union Theological Seminary where he studied under Dr. Clarence Dickinson, noted New York organist, choral director and composer. He also holds degrees from New York University and the Gettysburg Seminary. Wagnild came to Gettysburg in 1935, organized his first choir in 1937, and was appointed head of the college's music department when it was formed in 1952.

**SPEAKER FOR LIONS**  
Brian O'Connell, Harrisburg, representing the Pennsylvania Heart Association, will be the speaker for the weekly dinner meeting of the Lions Club Monday evening at 6 o'clock at the Shetter House.

## Delp Services On Monday Afternoon

Funeral services for A. Roy Delp, 71-year-old Idaville storekeeper and postmaster who died Friday morning at his home, will be held Monday afternoon at 2 o'clock at Mt. Tabor Evangelical and United Brethren Church.

Officiating will be the Rev. Marlin Lauver and the Rev. Arbe J. Dorsey. The body will lie in state at the church from 1 p.m. Monday until the hour of the funeral.

Interment will be made in Mt. Tabor Cemetery. Friends may call at the late home in Idaville Sunday evening after 7 o'clock.

## SOCIETY WILL HEAR HISTORY OF ORPHANAGE

"The History of the Hoffman Orphanage," near Littlestown, will be the topic for the February meeting of the Adams County Historical Society to be held next Tuesday evening at 7:30 o'clock in the meeting room in the court house basement.

The Rev. Arthur E. Leeming, superintendent at the orphanage, will be the speaker.

A letter announcing the meeting plans, mailed to members this week, accompanies the annual president's letter to members, appraising last year's accomplishments and discussing plans for 1955.

**Committees Announced**  
In the same letter President Charles S. Diller announces standing committees for the year as follows with the chairman listed first in each instance:

Program, Dr. Frederick B. Tilberg, Mrs. Elsie S. Lewars, Homer N. Young, Hugh C. McIlhenny and Walter B. Lane.

## CHINESE NATIONALISTS PLEASED WITH SENATE OK ON IKE'S PLAN

By SPENCER MOOSA  
TAIPEH, Formosa (AP)—The Chinese Nationalists today greeted with considerable satisfaction the news of the U.S. Senate's approval of President Eisenhower's firm policy for Formosa's defense.

The President's signature on the fight-if-we-must declaration was expected to signal the beginning of an American-shielded Nationalist withdrawal from the Communist menaced Tachen Islands.

(Peiping radio, quoting a lead article from the official Peoples Daily, rejected any suggestion for a cease-fire. The broadcast asserted that if U.S. armed forces try to stop Red China from taking Formosa "we will firmly strike back with heavy blows.")

Tao Hsi-sheng, one of President Chiang Kai-shek's advisers on national policy, said the Senate's approval of the declaration would tend "firmly to safeguard the security of the free world in the Western Pacific."

# SENATE GIVES IKE POWER TO USE FORCE IN FORMOSA FUSS

WASHINGTON (AP)—President Eisenhower today signed the resolution for defense of Formosa, asserting it is evidence of united American determination to "resist Communist aggression" in an area "vital to the security" of the United States.

The President signed in the presence of congressional leaders and Secretary of State Dulles less than 12 hours after the Senate sent the resolution to him by an 85-3 vote.

WASHINGTON (AP)—A resounding 85-3 Senate vote last night whisked to President Eisenhower an authorization for use of any necessary force to save Formosa from the Reds.

The action crushed meager opposition to parts of a joint House-Senate resolution empowering Eisenhower to employ the nation's armed forces "as he deems necessary" to protect the Chinese Nationalist-held Formosa and the Pescadores Islands.

Piled on a previous 409-3 House count, the Senate action gave a 404-6 congressional backing for a measure supporters said was aimed at keeping the peace but which critics contended might signal shooting that would set off World War III.

Only Three Voted "No"  
Also included is general authority to defend "related" areas, such as the off-shore islands of Quemoy and Matsu, with the possibility of strikes at the mainland if Communists mass there for an attack on Formosa.

Only Sens. Langer (R-ND), Lehman (D-Lib-NY), and Morse (Ind-Ore) voted "no" on final passage. They said they did so because of this latter provision.

They were the remnants of a small band that reached its top strength in a 74-13 vote defeating an amendment by Lehman to strip this provision from the resolution.

Amendments Lost  
Two other proposed amendments were defeated by roll call votes even more decisively. Both would have restricted the general grant of authority.

Sen. Knowland of California, the Republican leader, called the final vote "a great demonstration of national unity."

Sen. George (D-Ga.), celebrating his 77th birthday today, said it was "a very, very gratifying vote" topping off the fight he led to get speedy and nearly unanimous action on the request for congressional backing the President made only last Monday.

The final passage votes of 43 Republicans and 42 Democrats overrode the contention of the critics—that the President already has the requested power, that Congress was writing a "blank check" and an "advance declaration of war."

## Dead Slayer Is Linked To Robberies

POITSDAM, N. Y. (AP)—Police have linked Eugene P. Gowell with thefts from two garages and an attempt to burglarize a post office safe.

The body of Gowell, a 28-year-old tree surgeon, was found in an automobile on a snow-covered road near here Wednesday. He left a note admitting he had killed his wife, Peggy, 18, in their apartment in Carlisle, Pa.

Police Chief Floyd Gilson said the items stolen in the garage entries had been found in Gowell's car.

Mrs. Gowell's body was found Monday and a coroner said she had been dead two or three days.

## West's Economic Capacity Greater

WASHINGTON (AP)—A Library of Congress study says the West's economic capacity is "significantly greater" than the "combined strength of the Soviet bloc."

Furthermore, the study found in an analysis of U.S. and Russian production factors "strong grounds for expecting that the absolute gap in the size of the two economies will widen in the next two decades."

But the report by a group of specialists cautioned yesterday that "systematic" development of low cost atomic power by either Western Europe or the Soviet bloc "could alter the balance" quickly.

## New Oxford

NEW OXFORD—James O'Brien, son of Mr. and Mrs. Thomas D. Brown Sr., is able to be about after medical treatment which resulted in four stitches in his forehead to close a gash sustained when he struck a low doorway at his home last Saturday.

Catholic Scouts of Troop 86 held a meeting at the parochial school Thursday evening. A new member of the troop is James Staub who has been promoted from New Oxford's Cub Pack. Scoutmaster Thomas D. O'Brien marks his 15th anniversary as a scout leader this month.

Mr. and Mrs. L. R. Myers has returned from a trip to Florida.

Work progresses daily in the project to extend the borough water supply to the Cross Keys intersection with the Carlisle Pike where is situated the Church of the Brethren home for elderly persons.

A booklet has been distributed to parishioners of the local Catholic Church, giving them the context of the address earlier this year by Most Rev. George L. Leech, bishop of Harrisburg, alerting citizens to the danger threatening charitable institutions that care for children, if laws are permitted to pass, outlawing the teaching of religion in such institutions as has been done.

The bishop believes that such legislation might eventually lead to the abolition of church-conducted orphanages, etc.

Immaculate Conception Catholic Church members have also been given a detailed report of the financial condition of their parish for the beginning of 1955 when a statement of all receipts and expenditures of the parish during 1954 was printed on the reverse side of the weekly parish bulletin for January 23.

METHODISTS TO  
HEAR APPEAL  
FOR KOREANS

During the morning worship service at the Centenary Methodist Church on Sunday, the congregation will respond to the appeal made by the Council of Bishops of the Methodist Church, for funds for Korea. An opportunity will be given for all to share in this project. The pastor, the Rev. Herman E. Stenger, will be in charge of the service and the sermon theme will be "Thine is the Kingdom," continuing the series of sermons on the Lord's Prayer.

Following the service on Sunday, there will be a meeting of the finance commission of the church. The official board will meet in monthly session at 8 p.m. Wednesday, in the social room of the parsonage. The Youth Fellowship meeting will be omitted this week, and choir will be held at 8 p.m., Thursday.

The pastor, the Rev. Mr. Stenger, his fiancée, Betty Lou Berger, Corvallis, Oregon, and Mr. and Mrs. Ralph R. Ruggles Jr., East King Street, will leave on Thursday to join with other ministers and their wives, and lay members of the various congregations of the Harrisburg District, of the Methodist Church, to take a trip to the United Nations in New York. Miss Berger is spending several weeks as a guest of Mr. and Mrs. Ruggles.

## "WHEN WE'RE WINNING"

It's easy to be happy . . . when things are going right . . . it's far from difficult to smile . . . when skies are clear and bright . . . when luck is high and fate is kind . . . we are most always gay . . . because we have a winning hand . . . and hold all things in sway . . . the world seems like a wonderland . . . and joys come two by two . . . yes, that's exactly how it is . . . when dreams are coming true . . . the more we have, the more we get . . . it works most all the time . . . when we approach the pinnacle . . . the happy bells will chime . . . but when our tries are failing . . . this life seems bare and cold . . . we search in vain for rainbows . . . but seldom find the gold . . . that's why each one of us should strive . . . to assist and understand . . . because we never know when we . . . will need a helping hand.

In charge of the business session. The Society voted a contribution of \$5 to the March of Dimes. A report was heard from Mrs. Edwin L. Harget, secretary. The birthday of Mrs. Dale W. Stary was noted. During the social hour, refreshments were served by Mrs. David Erb, Mrs. Sterling J. Wisotzky and Mrs. Noah Strevig.

Mrs. Frank Hollinger and Miss Evelyn Asper will arrange the program for the next meeting on Thursday, February 24 at the church. The February hostess committee comprises Mrs. Lloyd Spangler, Mrs. James Duttera, Mrs. George Trump and Mrs. Ernest Baumgardner.

PLAN HEARING  
ON 5TH CARRIER

WASHINGTON (AP)—The Navy's plans to build a fifth super aircraft carrier will get a formal hearing in the House Armed Services Committee as a move, two members said, to support its request for funds for the vessel.

Chairman Vinson (D-Ga.) said the Navy already has authorization to build the carrier, but a recommendation by his committee "at least will be moral support" when the money request goes before the House Appropriations Committee headed by Rep. Cannon (D-Mo.).

Rep. Short (R-Mo.), ranking GOP member of the Armed Services Committee, said one purpose of the new hearing is to offset the stand of Cannon, who he said is now strongly opposed to the Navy's request.

Cannon said in a separate interview he is taking no position on the Navy request until it is brought to his committee. He declined to comment on Short's statement.

Stray Caboose  
Smashes His Car

OKLAHOMA CITY (AP)—Bill J. Brunhurst, 24, escaped serious injury when his car was smashed into by a caboose of a Santa Fe freight train on a crossing on the outskirts of the city last night.

"There wasn't a train in sight," he told officers. "I pulled onto the tracks and, wham, this caboose came out of nowhere and hit me." The caboose had become disengaged and was trailing the freight about a half mile. After the mishap, the train backed up, picked up the caboose and went on its way.

WASHINGTON (AP)—The Atomic Energy Commission today reported an increase in the number of uranium mines with the Colorado Plateau remaining the principal domestic source of supply.

New mines were opened in Fremont and other counties in western Wyoming and in the vicinity of Globe, Ariz. Uranium ore also was produced at Jim Thorpe, Pa., where the Lehigh Coal and Navigation Co. is operating a small uranium mine.

ning were John W. Spalding, W. King St.; Stanley M. Staub, W. King St.; Howard Petry, S. Queen St., and Mrs. Clarence K. Sheely, N. Queen St. The program is sponsored weekly by the Littlestown Chamber of Commerce.

The Ladies' Aid Society of St. James' Reformed Church, along the Harney Rd., will hold its January meeting on Monday evening, 7:30 p.m., at the church. Mrs. Jesse Slick and Mrs. Alice Smith will be hostesses. Erma Miller will be leader for the evening.

The Consistory of St. James' Church will hold its monthly meeting on Monday at 7:30 p.m. at the church.

## Adams County Girls League

Littlestown and New Oxford each won in girls' basketball Friday night to remain tied for the lead in the Adams County High School Girls' Basketball League. Littlestown won its fourth game by easily crushing the East Berlin girls, while Biglerville edged New Oxford. Newville knocked off third-place York Springs, while Bolling Springs defeated Fairfield.

The Littlestown girls soundly trounced visiting East Berlin, 64-22. The hosts jumped to an early lead, and were never threatened, clearing the bench in the second half. Nadine Crouse and Susy Long led the winners, with 15 and 10 points, respectively.

Biglerville kept pace with Littlestown by edging past New Oxford, 33-27, at New Oxford. Jaon Geiselman and Judy Shetter led the winners with 14 and 11 points, respectively. The high scorer, however, was Betty Snyder, star forward for New Oxford, who swished 22 points through the hoop.

Third Place Tie  
Bolling Springs pulled into a third-place tie in the league by winning a close decision from Fairfield, 30-26, at Bolling Springs. The Bubbies, paced by Brenneman, grabbed an early lead and held on. Fairfield kept pace in the field goal department, but could not match Bolling Springs in foul shooting. Nina Shank and Dot Myers scored 13 and 11 points for Fairfield.

Newville won its first game of the season by upsetting York Springs, 40-34, in a see-saw battle at York Springs. The hosts had a 17-14 half-time lead erased by a prolific scoring burst by Morrison, of the winners. Judy Weigle and Marcia Brough led York Springs with 15 and 11 points.

other local residents, became the first persons to take the federal test for guides, inaugurated that year. Since then several hundred have taken the test which is given periodically when new guides are needed, to replace those retired or lost through death.

There are also three men surviving from among the group that took the first test for guides—Mr. Gilbert, his brother, Harry C. Gilbert, and William Shealer.

In addition to his connection with the battlefield and Eagles, Mr. Gilbert is the second oldest local fireman in point of service. He became a fireman in 1906 and is now vice president of the Veteran Firemen's Association, ranking next in service to the president, C. Ruypp, who was one of the charter members of the local fire department.

Nationalist quarters were none too happy over the schedule meeting Monday of the U.N. Security Council to consider a cease-fire in the offshore island area. They expressed fear that a cease-fire would have a chain reaction effect to the Communists' advantage.

They undeniably hope the Communists will refuse acceptance.

Intelligence sources have estimated the Communists have as many as 1,500 warplanes at mainland bases within striking distance of the Tachens.

Supporting them are 400,000 battle-tested Communist troops and security forces in the two coastal provinces of Chekiang and Fukien opposite Formosa, according to Nationalist intelligence officers.

Liner Docks After  
"Stormiest" Crossing

NEW YORK (AP)—The Liner United States docked Friday from Europe a day behind schedule after what the ship's captain called the "stormiest trip" in the line's history.

Commodore John W. Anderson said the ship averaged only 27.22 knots during its crossing in contrast to a normal 30 knots. There were high seas and heavy winds but the ship came through unscathed and no passengers were injured.

were in New York for a time and Mrs. McCartney took a seminar course in creative writing at Columbia University. A professor there urged her to have her collection of poems about Jackie published and when she submitted her work to a poetry roundtable she had further encouragement. In mid-December the book was released by Vantage Press, New York.

## Known Here As Speaker

Both she and her husband are graduates of the University of Minnesota. She got her master's degree at Columbia and he at Northwestern.

Her husband's forthcoming book will be on counselling youth and youth leaders. It will be published in the spring by the Augsburg Publishing House.

Mrs. McCartney's role as a poetess may surprise her acquaintances in this area—as the poems surprised Jackie who had never seen them until the book was read at a family gathering last Thanksgiving Day. Mrs. McCartney is best known here as a speaker before church and women's groups about missions — Japanese missions in particular.

## Her Hope For Book

When Mrs. McCartney goes back to Japan, it will be her third trip there for between high school and college she served for three years as secretary to a missionary in Choshi, "a gray old town by the sea in Japan."

Her hope is that her book about Jackie, as she says in the foreword, is that "what Jackie thinks and says and feels and does in these poems may so enhance for you the little boy or the little girl with whom you live or work that you may more often be entertained and refreshed."

5-In. Snowfall Covers County: King Winter continued to reign throughout the county over the week-end and began another snowfall Sunday night that totaled as much as five inches in the mountain areas this morning.

In the southern and eastern sections of the county, however, the fall ranged downward to as little as one and a half inches.

Discharges Filed By Two Counties: Honorable discharges from the service were on file this morning at the office of Register and Recorder Winfield G. Horner at the court house for two county men.

A discharge from the Navy was recorded by Thomas L. Cline Jr., Carlisle St., who had been a midshipman in the United States Naval Reserve. He was released January 19 at the St. Alban's, New York, naval hospital, where he had been under treatment for some months for a back injury received in a fall last summer.

The second discharge was for John R. Fair, York Springs R. 2, who was released from the service September 23 at LaGarde General Hospital at New Orleans La. He was inducted into the service April 3, 1944 at New Cumberland.

Phi Mu Social Sorority Unit Organized Here: The Phi Mu national social sorority established a chapter at Gettysburg college when the local Phi Phi chapter was formally inducted as Beta Phi chapter in a series of exercises over the week-end.

A number of representatives of the national sorority headed by Mrs. Franklin Marion Gentry, of New York, national extension chairman, were in Gettysburg for the ceremonies which concluded with a formal banquet at the Hotel Gettysburg.

J. B. Aumen Is Renamed Head Vet Fireman: James B. Aumen and S. Richard Elsenhart were re-elected president and secretary-treasurer of the Veterans Firemen's Association of Adams county at the eighth annual dinner meeting at the Blue Parrot Tea room Thursday evening. Robert Long was elected vice president to succeed the late Henry Kalbfleisch.

Miss Biesecker Becomes Bride Of Pvt. Fishel: In the first large church wedding ever performed in the Methodist church at Orrtanna, Miss Mildred E. Biesecker, daughter of Mr. and Mrs. Blair Biesecker, Orrtanna, became the bride of Pvt. George P. Fishel Jr., York, U. S. Marine Corps, Tuesday evening at 8 o'clock.

More than 120 friends and relatives witnessed the double ring ceremony performed by candlelight by the pastor, the Rev. George W. Harrison, Bendersville.

The bride was attended by her sister, Mrs. Robert Jones, Orrtanna, as matron of honor. The best man was S/2C Richard Schwartz, York. The ushers were Howard Musselman, of Orrtanna and George W. Naugle, of Gettysburg.

R. C. Quota In Adams County Set At \$29,000: Adams county's fourth war-time Red Cross War Fund quota has been set at \$29,000, Mrs. Elsie Shumaker, Lewers, chairman of the county chapter, announced today.

Henry M. Scharf is director of the local War Fund campaign which is seeking to raise \$2,500 more than the 1944 quota. This is Mr. Scharf's third year as chairman of the drive. Last year the quota of \$26,500 was oversubscribed by more than \$2,500.

Mrs. Sheely New Head For Hospital Unit: Mrs. Raymond P. Sheely was elected president of the Women's Auxiliary of the Warner hospital for 1955 at the annual reorganization meeting and tea held Monday afternoon at the Nurses' home.

Other officers elected for the coming year include: Mrs. Edmund W. Thomas, first vice president; Mrs. Mark K. Eckert, second vice president; Mrs. LeRoy H. Winebrenner, third vice president; Miss Mary Ramer, secretary, and Mrs. Frank H. Kramer, treasurer.

## Today's Talk

## BOOKS ARE LIFE

A reader of these Talks has written me, not unkindly, saying I write too much about books. I shall never tire of books, nor of telling people about them. Over the years I have received thousands of letters from readers thanking me for suggestions in regard to books. Great books are like people. They once were people. A fine author walks right out of the book that he has written.

Books are life. Almost the first thing I look for in a home is its books. They almost take the story of the home itself, but most of all, a book reflects the personality and mind of the one who has selected it. I have two long shelves in my library containing just books about books. There is no habit that pays so much in genuine satisfaction and mental stimulation as that of reading.

The more we read and learn, the better do we take an interest in all important current events, and what is going on in the world about us. It often takes years to write a book, so that when we get it, we get the distilled substance of another's mind. Both my father and mother were book lovers, so that I came naturally to my love of books. They have sustained me through storm and stress, and brought comfort and joy to me that nothing material could bring. The test of a great book is whether or not we keep going back to it.

When you read what a writer has put into his book, you read the author himself. There are many books that become so intimate to us that they almost take upon themselves a living flesh and blood personality! That's why we like to return to them time and time again. Thoreau wrote in his diary these words: "A truly good book teaches me better than to read it. I must soon lay it down, and commence living on its hint."

You can take your friends with you only occasionally, but you can always take your books. They will become more companionable the longer you associate with them!

Protected, 1955, George Matthew Adams Service

## LUCKY BOY

My mother said: "You lucky boy! Always someone to give you aid. You've never had a broken toy. But what repairs were quickly made."

"Your hopes have never taken wing. You've never vainly wished or striven."

You've never wanted anything. But what to you it has been given.

"So very fortunate you are. So seldom has your heart been torn. There must have been a lucky star Within the sky when you were born."

So many friends to comfort me. So much of triumph and of joy. I often think how right was she When mother said: "You lucky boy!"

## TORQUATO FIRES 7 FROM STATE PAYROLL FRIDAY

HARRISBURG (AP)—John R. Torquato, secretary of labor and industry, Friday dismissed seven hold-over employees from the previous administration.

Torquato, who took over as secretary only 10 days ago, indicated that as many as 200 Republican employees in his department may be dismissed in a Democratic housecleaning.

Those served notice of their dismissal Friday were:

George E. Gwilliam, Plymouth, \$12,000-a-year manager of the state Workmen's Insurance Fund.

William L. Windsor III, Harrisburg, executive director of the Bureau of Social Security for Public Employees, at an annual salary of \$10,466.

Regis M. Welsh, Pittsburgh, \$7,356-a-year publicity director.

John W. Konzelman, Willow Grove, \$5,058-a-year mediator.

Sidney Z. Levy, Scranton, legal clerk at \$3,882 a year.

Thomas W. Jones, Scranton, employment agency investigator, \$3,686 a year.

John L. Trunzo, Scranton, industrial building inspector, \$3,668 a year.

Torquato said the first 200 were being fired for a variety of reasons, mostly political. The department has 5,500 employees.

"This first group spent more time campaigning for the Republican party than working for the department," the secretary said, adding:

"A number of them we found, were holding down full time outside jobs while drawing their state pay checks."

Gwilliam, 72, is a personal friend of former Gov. Arthur H. James and was one of James' first appointments. Gwilliam served 16 years in labor and industry.

Torquato designated Russell C. Keiser to fill the post of manager of the insurance fund "for the time being." Keiser has been assistant manager.

## BALLEM FACES DEATH IN CHAIR

MEDIA, Pa. (AP)—Francis X. Ballem faces a mandatory death sentence following his conviction for the torso slaying of an unemployed Chester, Pa., seaman. A Delaware County jury of seven women and five men Thursday found Ballem guilty of first degree murder in the death of John Dopriak last October.

The jury's recommendation of death in the electric chair is binding under Pennsylvania law on Judge William R. Toal, who presided at the trial. Sentence for the 28-year-old defendant was deferred pending an appeal for a new trial which was announced by defense counsel.

The jurors deliberated 6½ hours before convicting Ballem of luring Dopriak to Ballem's Bywood, Pa., home and slaying him, then hacking the body to pieces. Parts of the dismembered body were found in a suburban trolley station. Ballem was tracked down to his home four days later.

## TWO TOWNS USE WHEELBARROWS TO HELP POLIO

WELLSBORO, Pa. (AP)—Two wheelbarrows "raced" toward each other step by step Friday in a unique method by a North central Pennsylvania softball league to collect contributions for the march of dimes.

The gimmick is that the pushers of the "racers" cannot take one step in their 23-mile journey between Wellsboro, Tioga County, and Galeton, Potter County, unless someone drops a dime into the wheelbarrow.

The two community softball teams challenged each other to the race last Sunday, each team to push its wheelbarrow to the challengers' halfway over the highway between the communities.

At the end of the race Thursday, the pushers were about four miles out from their home towns. Wellsboro had collected about \$400 with Galeton close behind with \$380.

Goal Is \$4,000

Two men from each town collect and push daily from 7 a.m. to 7 p.m., wearing placards over their overcoats. When a passing motorist drops a dime into the wheelbarrow, the pusher takes a step.

William Fiddler, of Wellsboro, president of the league, estimated the teams will have collected \$4,000 for the March of Dimes polio campaign by the end of the race.

Yesterday's length of the race was conducted in zero temperatures along a lonely stretch of the highway but Fiddler said about 70 per cent of all motorists stopped and deposited 50 cents to \$1.00 in the wheelbarrows.

During lulls in the race, the pushers build a fire along the side of the road to keep warm. Fiddler said the contestants are getting good support from their home towns. Residents often drive to where the pushers have bogged down, deposit some money and cheer on their entries.

The league president said no prize will be given the winner of the race, just the satisfaction of doing a public service.

American farmers and farm co-operatives are using more credit this year than in any year since 1942.

Prostate Trouble!

## Delone Defeats GHS 57-55 Via Redding's Goal; Local Scrubs Win On Crist's Shot

A field goal by Buddy Redding, of Gettysburg, with about two minutes of play remaining, followed by a "freeze," gave the Delone Catholic cagers a 57-55 victory over the Gettysburg High Warriors at McSherrystown Friday night after a nip and tuck battle.

The loss was the 10th straight for the hapless Warriors who have won two contests. For Delone the triumph was the fourth against nine setbacks and was "sweet revenge" for a defeat suffered here early in the season.

With Delone leading 45-44 going into the final period, Gettysburg turned the game into a fast moving nip and tuck affair. Glenn Weishaar landed a lay-up and foul shot while Dick Smith converted a pair of free throws, enabling Gettysburg to pick up a 48-47 lead. Carroll Funk hit on a push from the side but Jim Everly and Jeff Langsam converted a jump and lay-up, respectively. Phil Staub and Buddy Redding then looped a pair of free tosses each as Langsam swished a jump shot from the foul circle. Staub put Delone in front again by tossing in a two-handed jump shot, but on the fast break Gettysburg's Jim Everly ripped through for another jump. With 2:30 seconds remaining Delone took possession of the ball. Redding picked a perfect spot to go for a lay-up and made it to give Delone the eventual winning basket. From this point on, with the aid of a few well placed time outs, the Squires went into a freeze of the ball as the clock ran out.

**Squires Start Fast**  
Delone jumped to a fast 21-16 lead in the first quarter. Funk opened with a push shot from the corner but Everly came right back with a lay-up on a fast break. Tom Klunk, the replacement for the injured Jude Smith, Squire center, capitalized on a pair of free throws and Funk hooped a push from the side. Rolf Johnson made his appearance by ripping the cords for six straight points on a set and a pair of lay-ups. While Greenholt and Klunk connected from the foul line, Bair, Dick Smith and Redding netted key points. Rounding out the quarter, Everly swished a set from outside as flet Langsam swished off a pair of fouls which was duplicated by Glenn Weishaar. Everly then pushed up a one-handed jump to end the frame.

The second stanza turned out to be a close battle as Everly, Williams and Weishaar went to work on their one-handed push shots. Langsam tapped in a rebound as Dick Hess tried a lay-up. Redding dominated the Delone scoring although aided by Dick Smith's lay-ups, and Dan Greenholt's and Bob Fair's arching corner shots. When the first half came to a close the scoreboard showed that Delone led by five points, 33-28.

**GHS Moves Ahead**  
Coach George Porney's Warriors rocked the Squires in the beginning of the second half. Weishaar swished a set, Everly landed a one-handed corner shot, Ron Williams added a push, and Langsam went in for a jump shot, all before the fans got seated. Trailing 36-33, the Squires snapped out of it after 3:05 minutes when Dan Greenholt pushed up a couple of foul shots and Tom Klunk went in for a lay-up. Langsam, Everly and Johnson then went on to keep up the scoring for the Forneymen. Greenholt, Redding, Funk and Dick Smith tallied inside shots to keep a very thin 45-44 lead at the end of three frames.

Redding, Delone's forward from Gettysburg, was high man of the evening with a total of 19 points. Following one point shot was Gettysburg's versatile center, Jim Everly, with 18.

**Shot Wins Game**  
A long set shot by Jack Crist gave the Gettysburg reserves a 45-44

**TEST PLANE HAS  
SUCCESSFUL TRIP**  
NEW YORK (AP)—A convertiplane developed by the Transcontinental Aircraft Corp., of New Castle, Del., has made one of the first flights of that type of plane.

The flight was from New Castle to Media, Pa., it was announced on Thursday by E. Burke Wilford, of Merion, Pa., long active in the design and construction of experimental convertiplanes.

Wilford said the craft took off vertically under the lift of two 17-foot-diameter rotors, which tilt 90 degrees forward to provide thrust for forward flight.

The Transcontinental model L-G convertiplane, with a design forward speed of 150 miles an hour, was partially financed by Air Force contracts awarded in 1952 and 1953.

The purpose of a convertiplane is to take off like a helicopter and then convert to conventional forward flight.

## 10-TEAM PLAN TO BE DISCUSSED

NEW YORK (AP)—The National Baseball League "kicks around" the idea of expanding to 10 teams today with the American League scheduled to consider the same possibility tomorrow.

Warren Giles, president of the National League, said there are four sample schedules to be considered by his league and that "nothing conclusive is expected. We're just going to kick it around so everyone will get an idea of added travel costs and the time factors involved."

The sample schedules include San Francisco, Los Angeles, Montreal, Toronto, Minneapolis - St. Paul and Houston and Dallas in various combinations with the present eight clubs.

Frank Lane, Chicago White Sox general manager, heads the American League committee which will examine three sets of "dry-run" schedules. Each calls for 10 clubs and 162 games with 18-game season series between each team instead of the present 32.

The American League has its eye on the same new territory as the National.

## Rizzuto Out For His Old Position

NEW YORK (AP)—Phil Rizzuto vowed today he would regain his regular shortstop position with the New York Yankees next season despite the apparent skepticism of Manager Casey Stengel.

Little Phil, 36, whose batting average slumped last year to a miserable .194, yesterday signed his 12th contract as a Yankee, accepting a 12½ per cent cut from his \$40,000 salary of a year ago.

Coincidentally with his signing, the Yankees announced they had recalled 18-year-old Tom Carroll, a sophomore shortstop at Notre Dame, for the same \$35,000 they gave Rizzuto. Carroll, who must be kept two years by the Yankees under baseball law because he has bonus status, is expected some day to succeed Rizzuto as the regular Yankee shortstop.

win over the Squire reserves. After jumping to a 24-18 half time lead, the Little Warriors were forced to play the second half in a close nip and tuck affair. Trailing 45-43 as the buzzer sounded, Gene Groff Squire guard was fouled, but made only one free throw as Gettysburg went on to win. Groff was high man in the game with 20 points while Bob Hess collected 19 for the winners.

On Tuesday Gettysburg resumes conference play by entertaining Middletown. Delone will travel to Westminster to meet the Owls in a non-conference game.

## Bullet-Dutchmen Contest Tonight Will Start At 8

This evening at 8 o'clock the Gettysburg College basketball team will resume action after a two-week midyear layoff by entertaining Lebanon Valley on the local floor.

The Dutchmen come here primed to repeat an earlier season victory gained over the Bullets at Annville. Top performer for the visitors in Howard Landis, who was named to the first All-State team last year.

No preliminary game will be played. With most of the student body absent due to the midyear recess, plenty of seats will be available to the public.

## DETERMINE IS RUNNING TODAY

ARCADIA, Calif. (AP)—Turf's leading grey determine, gets his first chance today at some of 1955's heavy sugar in the \$100,000 Santa Anita Maternity.

Opinion remained sharply divided on whether the Kentucky Derby champion could lug the top weight of 126 pounds in the mile and a quarter test of 4-year-olds and take the \$87,000 top money.

Owned by automobile dealer Andy Crevolin, the grey will have his stablemate Allied as a running mate. But that entry may open at a somewhat longer price than the Calumet pair, Duke's Lea and the fleet filly Miz Clementine.

Weight could be the big factor here. Duke's Lea, having no stakes victories, will get in at 113. Miz Ralph Nves, who had his choice of the two, decided to ride the colt. Eddie Arcaro took the call for Miz Clementine.

Ray York will pilot Determine, with Johnny Longden included in the 114 pounds on Allied.

## Adams County Boys' League

Bolling Springs maintained its unbeaten string in the Adams County Basketball League as it trounced Fairfield 67-42 Friday evening at Bolling Springs for its eighth straight decision. The loss dropped Fairfield into a last place tie with Newville.

Eddie Dasher, the loop's leading scorer, poured 22 points through the hoops to spark the Bubblers. Eddie Spence led Fairfield with 14 tallies, 10 of which came from the foul line.

New Oxford remained but two games back of Bolling Springs by snapping Biglerville's four-game winning streak 61-50 on the New Oxford floor. Coach Russ Sohlleitner's Colonials played perhaps their best game of the campaign and held a safe margin all of the way. At half time the score was 30-18.

The scoring was evenly distributed for New Oxford while Shaffer accounted for 21 for the Cannons to be high man for the evening.

East Berlin pulled into a tie for third place with Biglerville by capturing a thrilling extra period 47-45 victory at Littlestown.

Littlestown led 21-17 at half time and then fell apart in the third period but spurted into final frame to make it 41-41. The Thunderbolts missed a pair of foul awards in the last 30 seconds, sending the game into overtime. Stan Mummet opened the extra frame with a goal for Littlestown but the Indians broke a 45-45 tie when Lanny Oberlander banked a set shot for the winning points.

Pete Kemper's York Springs outfit escaped from a last place tie by blasting Newville 63-44 on the latter's floor. The win snapped a six-game losing streak for the Springs.

Ron Weigle and John Fair each landed 15 points for the winners while Wally Drexler netted 15 for the losers.

## SEE NEW MARK IN THUNDERBIRD

PALM SPRINGS, Calif. (AP)—Pace setting Johnny Palmer wouldn't predict by any means that he will win the \$15,000 Thunderbird Invitational Golf Tournament, but he has an idea that last year's 72-hole winning total of 268 will be eclipsed.

Palmer led the way into the third round today with rounds of 62-68 behind him for a total of 130—14 strokes under par.

With two more rounds ahead, Palmer's guess looked sound. Palmer found a fellow North Carolinian, Mike Souchak, as his closest challenger.

Souchak, former Duke University football end, matched his initial round yesterday—34-32—66 for 132. The strapping young fellow has never won a tournament as a pro.

Just three strokes back of Palmer, the seasoned pro from Charlotte, N. C., were Shelley Mayfield, Bo Winger, Bud Holscher and Wally Ulrich—all comparative newcomers to tournament headlines and all rated hungry for top honors.

**ALBANY WILL  
HAVE BALL CLUB**  
ALBANY, N. Y. (AP)—Albany will remain in organized baseball this year.

Owner Tom McCaffrey of the Albany Senators last night reversed his decision to shut up shop. He said he would operate the Class A Eastern League club another season.

McCaffrey, who said he lost money in 1954 although the Senators finished third in the regular season and won the post-season playoff, announced his decision at a "Save Baseball" meeting. A committee of sports writers presented him with pledges of \$16,000 in advance ticket sales.

The league had given Albany until today to decide whether it would be in or out.

McCaffrey put the franchise up for sale last August.

The Providence Reds again were threatening the third place Hershey Bears in the American Hockey League standings today.

The Reds moved within two points of the Bears in the league's only game last night as they defeated the Springfield Indians 4-3. Pete Kapusta led the Providence attack with two goals and an assist.

## Trabert Is Upset In Straight Sets

ADELAIDE, Australia (AP)—Tony Trabert of Cincinnati, the only American in the semifinals, went down to a surprise straight set defeat at the hands of Ken Rosewall 8-6, 6-3, 6-3, today in the Australian National Tennis Championship.

This set up an all-Australian final since Lew Hoad earlier had virtually blasted Rex Hartwig off the court in a fast 50-minute victory 6-1, 6-4, 6-4.

Trabert went into the match full of confidence after his victory yesterday with Vic Seixas in the doubles final.

High scorers for the Yellow Jackets were Fred Sowble with nine points and Ray Ferrier with eight. Ken Frock, Taneytown center, was high for the losers with seven points.

Manchester jumped off to a fast 12-4 lead in the first period and after that neither team could get their attacks started for the next two frames. In the second period, Taneytown scored two points to Manchester's three. At half time, the score was 15-6 in favor of the Yellow Jackets.

A last period freeze enabled Manchester to hold the Tigers to four points while they scored 10 making the final score 23-19.

In the preliminary game, the Taneytown Jayvees defeated Manchester 36-23.

On Tuesday evening the Tigers travel to New Windsor for a Carroll County League contest.

## WINS HAIRLINE DECISION OVER RAMON FUENTES

PHILADELPHIA (AP)—A seldom invoked scoring rule helped George Johnson, 10th ranking middleweight, to a hairline verdict over bloody but unbowed Ramon Fuentes at Convention Hall here last night.

Johnson, 154, Trenton, N.J., was awarded a split decision over Fuentes, 153, the fourth ranking welterweight from Los Angeles. An estimated 2,500 fans — no receipts were disclosed — saw the hotly contested nationally televised (NBC) fight.

The officials were widely split on the verdict. Referee Willie Clark scored Fuentes the winner, 6-4; Judge Jimmy Mina voted for Johnson 6-3-1 and Judge Nick Spano carded five rounds for each man.

However, Spano used a scoring regulation that has been in motion in Pennsylvania for longer than most veteran ringside observers care to remember. He gave the decision to Johnson — 12 to 5 favorite — on the basis of a single 10th round.

Johnson, who spent most of the night backing away from the lunging attack and smashing two hand barrages of Fuentes, dropped the Mexican for a count of eight in the final round with a solid right to the chin. Fuentes staggered upright at three, and after taking the mandatory eight count, managed to shake his head clear enough to stay away from the Jersey fighter's flailing fists.

The Biglerville Junior High cagemen annexed their fifth victory in six starts Friday afternoon by drubbing East Berlin 47-19 on the latter's floor.

After being held to a 16-12 lead in the first half, Bob Garrett's squad turned on a brilliant performance in the second half to outscore their opponents 31-7.

Bill Payne and Byers accounted for 15 and 12 points, respectively, to lead the winners. Chronister sank nine for the losers.

## Winter Is Time Car Needs Most Skillful Driving Care

By FREDERICK RUSSELL

The new driver ought to remember that the greatest mistake he can make is fearing he will make one.

**Good Driving Winter Aid**  
Winter may call for an impressive array of special services for the car but topping them all is the need for giving it the benefit of more skillful driving. This winter more than ever before the way you favor the car through its controls the more it will return the favor.

"Driving service" starts with the first touch of the starter button or flip of the ignition switch. In fact, before. Experienced operators first consider what the car has been through during its period of idleness. If it has spent the night in the open or in the dampness of a cold garage a driver has the right service trick up his sleeve if he lifts the hood, wipes moisture from the tops of the

spark plugs, distributor and coil. He will make sure to drive the car far enough to warm up the engine. He will look for hills to climb so as to help cut down dilution in the crankcase oil. One of the worst mistakes to make in driving is to expect a cold engine to deliver hot engine power.

**Something For The Nose**  
They have been slow coming in to the motor picture but now you can buy deodorizers for your car. One of these comes designed like a flower, and in colors to match the car. Another aims to make an old car smell like a new one. Perhaps you didn't realize that new cars have a smell of their own. Sort of a leathery odor, and pleasant, with a dash of new paint burning off a hot motor. I haven't tried household deodorants but see no reason why they wouldn't freshen up a stale smelling car quite well.

**The Motor Primer**  
Ever wonder why the gas line on the average car is so long and seems to take a round-about path? If so, you have started a course in motor fueling which may lead you into some interesting side-lights on how cars operate. That long line is partly for the purpose of avoiding heat, and partly for protection against flying stones which might break it.

Fuel lines usually follow the frame channel for protection, but they must not be where they can pick up heat from the exhaust system. As a line nears the engine it has to be protected against engine heat and vibration. That is why it does not connect to the fuel pump but indirectly through a flexible length of tubing which easily withstands the engines shaking in its flexible mountings.

**Mechanic Joe Speaking:**  
"One of the things those in the car servicing profession have to buck continually is the habit many motorists have to mistaking normal car action for trouble. This is particularly apt to be the case where someone buys a used car with equipment or design that differs from what he has previously known. Typical is the action of a semi-automatic transmission when shifting from third to fourth gear. Here there is a clunk as the

transmission shifts immediately after the driver lifts his foot from the accelerator pedal momentarily. It is his signal that everything is going along normally, but being so unfamiliar with it he is likely to assume it indicates trouble."

**Easy On Those Signals**  
In your efforts to save the battery unnecessary work, storing more of its energy for the job of cranking the motor, be sure to consider unnecessary use of the directional signals. I find that many drivers wait at intersections with the lights flashing for a right turn when just brief signalling is all that's needed to advise the man behind what to expect. Often in switching from one traffic lane to another they will fail to pull the control switch back to the off position since the front wheels do not turn sufficiently to bring about automatic cancellation. Drivers sometimes accidentally hit the signal switch.

In addition by curbing unnecessary use of the directional signals there's a saving in wear and tear on the bulbs as well as the flasher and tell-tale light.

**Deflate For Safety**  
If you are driving on a set of tires made of the new heat-tempered nylon don't be afraid to let pressure way down if you are faced with the problem of getting out of snow or are caught in an ice storm without an opportunity to have chains installed. Dropping pressures down to 10 or 12 pounds has always been one way of improving traction when safety is at low ebb, but not until nylon came along has it been possible to do this without possible damage to the sidewalls. With the heat-tempered tires such underinflation exacts no penalty. And it may be a real lifesaver in an emergency.

**They Still Need Checking**  
Just because modern shock absorbers do not need to have additions of oil doesn't mean that they cannot develop leakage and give the car a bad ride. You can, and should, test the shocks by the simple method of rocking the car up and down by its bumpers, doing each corner at a time. After you release the bumper the car should level off immediately, if the shocks have sufficient fluid and are working properly.

**Rough On The Springs**  
I notice that the accessory people are giving serious thought to the need for braces to help check strain on the car's rear springs when starting and stopping. Since Hotchkiss drive has become so universal springs have been suffering in a way that was not a problem when cars had less powerful engines and rapid-fire automatic gearshifts. Without bracing, and with the "drive" going through the rear springs from the wheels to the frame and body, it has become something of a job to keep the spring clips tight. Special braces may be the answer to this. Anyhow, if you hear a grunting sound when you start off don't think the car is just getting along in years. It needs a good tightening of the clips, and inspection of the springs.

**Time Will Tell Us**  
Some close observers of the current race for car production and sales are developing the theory that most of the trouble some companies have experienced, and are experiencing, is due to failure of managements to follow the poli-

cies of the founding fathers. Of course one may argue that the pioneers would have been the first to change their tunes to fit changing conditions, but the fact remains that the changes did not produce desired sales. I understand that Detroit is watching this closely, and wondering.

## Pennsylvania Week Expense Slashed; Fourteen Workers To Be Fired; Seven Monday

**HARRISBURG (P)—**A new economy drive was pushed forward in the Commerce Department Friday with emphasis on slashing the amount of money spent on Pennsylvania Week.

Secretary John P. Robin told Gov. George M. Leader in his first progress report that he does not believe the annual autumn observance justifies the department's expenditure of \$100,000.

Robin in his second week in office recommended continuance of Pennsylvania Week—the commonwealth's biggest promotion stunt—only on a "volunteer basis."

He said it should be a time set aside for "special emphasis on the history, the traditions and the special products of the state."

"Unless otherwise directed, the department's revised budget submission will be so drawn," said Robin.

**Will Discharge 14**  
The recommendation highlighted an overall saving of about \$160,000 which Robin said could be rounded out by firing 14 employees and still keeping intact the essential services of the department.

That saving would amount to approximately 25 per cent of the department's appropriation from the commonwealth figured on a yearly basis.

Robin said his economy move is in accordance with directives issued by Gov. Leader to cut down expenses.

Seven field representatives of the department's Industrial Development Bureau, he said, will be dismissed on Jan. 31 on grounds of being mere "patronage appointees with little or no qualification" for their work.

**5 Have State Cars**  
Five of them who were issued state cars and photographic equipment have been instructed to return all their gear.

"This action is taken with no fears whatsoever that the state's

effort to attract new industry will hereby suffer," said Robin. "It has the concurrence of the chief."

On the same date, the department's clipping service will be discontinued, terminating the employment of six persons at a total payroll of \$15,918 a year. The dismissed field representatives' total pay is \$37,896.

Robin said that since 1952 the department has had an offer from the Pennsylvania Newspaper Publishers' Assn. to perform the identical clipping service work at \$10,800 a year.

**Oust Publicity Director**  
He suggested that with abandonment of the service, the various state departments desiring to receive newspaper articles concerning them contract for it themselves.

Robin also ended the post of public relations director for Pennsylvania Week. The post carried a salary of \$7,000 a year.

With a view to further econ-

omies, Robin said department contracts for subscriptions to publications, Dun and Bradstreet reports and for promotional advertising also are under review.

Heading the list of dismissed employees was Albert DiMeolo, Mr. Lebanon, chief industrial representative, at a salary of \$7,356. Listed as the Pennsylvania Week public relations director was Barbara Weatherley, Elkins Park.

Other dismissals included: Samuel R. Fram, Lancaster, \$5,448; Edward G. Leidig, Bethlehem, \$5,250; Nancy C. Pickell, Columbia, \$3,270; Robert W. Pierpoint, Jamison, \$5,250; Roy A. Purviance, Canonsburg, \$5,250; J. Kennedy Spafford, Erie, \$6,072.

## Denmark's Premier Dies In Stockholm

STOCKHOLM, Sweden (AP)—Danish Premier Hans Hedtoft died today at the Grand Hotel in Stockholm.

Hedtoft, leader of Denmark's Social Democrat party, was in Stockholm for the third session of the Nordic Council, which opened yesterday.

Death reportedly was due to a heart attack.

Hedtoft began his present term as premier in September, 1953, following his party's victory in a parliamentary election. He previously had served as premier several times.

## DETECTIVES HIT BLANK WALL IN SLAYING PROBE

NEW YORK (AP)—A "dawn patrol" of more than 20 detectives scoured East Side night club areas for the second day in an effort to pick up some clues in the mystery-slaying of Serge Rubinstein, playboy-finance and convicted draft dodger.

After issuing an official statement saying "we're up against a blank wall," authorities again sent out detectives early today. They sought information on who might have seen 46-year-old Rubinstein the night before he was strangled in his palatial Fifth Avenue home.

Clad in black silk pajamas, Rubinstein's body was discovered by the family butler Thursday morning. The dead man had been gagged and bound head and foot. Deputy Police Chief Inspector Edward Feeley commented there was still "an awful lot of questioning of people to be done" in an attempt to unravel the bizarre slaying.

Feeley said he was hopeful they could find a cab driver who may have driven someone to Rubinstein's home in the early morning hours of Thursday.

Rubinstein was trailed home from an East Side night spot by two "rough-looking" men on Wednesday night. Rubinstein was with brunette model Estelle Gardner, and they went to his home for a "nightcap" before Miss Gardner left around 2 a.m.

Feeley told newsmen early today, "We've questioned more than 300 people, and there are still a lot more to go."

## NEW AREAS OF RESEARCH OPEN AFTER ATOMIC TESTS OF 1954

By FRANK CAREY

Associated Press Science Reporter  
WASHINGTON (AP)—The Atomic Energy Commission said today results of its 1954 hydrogen and atom bomb tests have steered it into "new areas of research... that hold promise of additional major developments."

In its semiannual report to Congress for the last half of last year, the commission said it is moving also toward another result: "The stockpiling of weapons adding large potential to our defensive power."

The report gave no details of the results obtained at the Pacific proving grounds in the Marshall Islands, where Operation Castle was conducted in the spring of 1954. But it said that "the evaluation of the results... confirmed the pre-castle promise of most significant progress in design, development and proof test of weapons."

**New Tests Coming**  
It reported also it is about ready for a new series of tests, scheduled next month in Nevada, presumably dealing with less powerful atomic weapons and their application to tactical use.

"The new tests are required," the commission said, "to obtain scientific knowledge essential to development and utilization of nuclear weapons for defense of this nation and the free world."

The AEC gave not even a hint of what it is working on in the hydrogen weapons field, but there is ground or speculation that it involves work toward:

New and cheaper techniques for making H-bombs, including dispensing with the A-bomb trigger now required to explode them; and New varieties of hydrogen weapons, including warheads for intercontinental guided missiles.

## PREDICT UN WILL INVITE RED CHINA TO DEBATE OVER CEASEFIRE PLAN

By WILLIAM N. OATIS  
UNITED NATIONS, N. Y. (AP)—Western diplomats predicted today the U. N. Security Council will invite Red China to a debate here on a Communist-Nationalist ceasefire when it meets Monday on the crucial Formosa question.

As the council prepared for action, statesmen in Washington, London and Moscow also took steps to deal with the quickening crisis.

In Washington the action came in overwhelming Senate approval of President Eisenhower's fight-if-we-must stand on Formosa.

**Molotov Promises**  
In Moscow, Soviet Foreign Minister V. M. Molotov promised to consider a British request the Kremlin urge restraint on Red China.

At the same time, Britain pledged Red China's claims to islands along her coast would receive fair consideration if the Communists join in the imminent U. N. talks.

The Red Chinese have made one appearance in the U. N.—in 1950 during debate on the Korean war.

New Zealand yesterday called the meeting of the 11-Nation council. The United States and Britain both backed the call. But only Britain publicly supported New Zealand on the proposed invitation.

### No Veto Possible

Diplomatic sources said Nationalist China probably would abstain on the debate proposal and vote against the invitation and the United States probably would vote "yes" on both. They added they could not forecast the Soviet votes but expected all other delegations would support both moves.

Both Nationalist China and the Soviet Union—like the United States, Britain and France—can veto proposals classed as "substantial." But these sources said the bid to invite the Chinese Communists would be ruled merely "procedural," and so no vote would be possible.

The proposed cease-fire would apply to Nationalist-held islands near the Chinese mainland—which Congress has authorized President Eisenhower to protect with U. S. forces if he deems them essential to the defense of Nationalist-held Formosa and the Pescadores.

## COLD WEATHER TO CONTINUE OVER WEEKEND

By THE ASSOCIATED PRESS  
The coldest weather of the winter season clung to wide areas in the Eastern half of the nation today and there appeared little hope of general relief over the weekend.

Fresh blasts of icy air from northwest Canada sent temperatures tumbling to subzero levels during the night throughout the Midwest and across sections of the Northeast. It was freezing in wide areas of the South.

Brisk winds from the Northwest, bringing in fresh masses of arctic air, was blamed for the prolonged cold snap in the Midwest.

**Nine Have Died**  
There wasn't much snow in the cold belt during the night. But fresh falls were forecast today for North Central regions which already have several inches of snow. At least nine persons have died.

## CHAMP WEIGHT LOSER CROWNED

CHICAGO (AP)—A farm woman who shed 123 pounds of excess fat in one year by dieting was crowned champion weight loser Friday by TOPS, a national women's reducing organization.

Mrs. Esther Conradt, 60, of Appleton, Wis., cut her weight from 315 pounds to 192. Her dress size narrowed from 56 to 42.

She said she got her biggest thrill when her 5-year-old granddaughter climbed into her lap recently and said:

"Grandma, you've got such a

last night reported -12.

Temperatures stayed under the 10-degree mark yesterday from the eastern Dakotas to the western Great Lakes region and across northern New England.

New York and Minnesota reported lowest readings yesterday. Saranac Lake and Forestport, in New York's Adirondacks, reported unofficial lows of -38. The minimum reading in Minnesota was -26, at International Falls, which late

nice big lap. The other one always slid off."

TOPS stands for Taking Off Pounds Scientifically. Mrs. Conradt received the award at the organization's third annual meeting at headquarters of the American Medical Assn.

The group, started six years ago by Mrs. Esther Manz, Milwaukee, has helped some 10,000 women lose unnecessary fat. Members lose weight merely by restricting the number of calories in their diet. The weight is lost under a doctor's supervision.

About 23,000 Greenlanders are scattered in 185 settlements along a coastline more than 12,000 miles long.
